

RESPONSIBLE SCHOOL	TOPIC	TASKS								EVALUATION UP TO 4
		Good research on the topic	Pedagogical material for partners	Artistic practices in all schools	Artistic outcomes on Instagram/twitter	Artistic outcomes in our website	Virtual or physical exhibition in schools	Collaboration with external artists	Assistance to artistic events / museums...	
SPAIN	FEAR - VISUAL ARTS	3	3	4	4	4	4	4	3	3,5
	Observations	The research was good: useful and complete pedagogical material for the other schools.	The pedagogical material was a traditional pdf file and a video. Italian and Portuguese schools think that the written material was more useful.	Italy: students worked on photography, paintings, video and dance. Portugal: drawings and painting, Spain: painting and collage.	Italy: Instagram, Facebook and Twinspace. Portugal: Facebook. Spain: Instagram and Twitter.	All the materials of the period are at the project website. A virtual exhibition of the period created by Artsteps is also available in our website.	All the schools did its physical exhibition in September/October. Spanish school exhibited its creations in the Museum of the city during the transnational meeting in Granollers. Portuguese school did it in school and in a museum in Amora during the students' meeting. Italian team did it also at school. International virtual exhibition is done with	Portugal: Summit about art and Modern art (Fundação Calouste Gulbenkian). Spain: Bernat Barris, painter, collaborated hand to hand with students in school.	Portugal: visit to an exhibition in Lisbon "Immersive " - Monet and Klimt (interactive exhibition) IMMERSIVUS GALLERY LISBON (museu da água). Spain visited the art museum of the city (Retaules).	Evaluation done in July 2021
PORTUGAL	LONELINESS - LITERATURE	3	4	4	3	4	4	4	2	3,5
	Observations	The research was good, with a good presentation. The Portuguese students did the research.	Portuguese team sent a Genially presentation to partners. It was very useful. Spanish team added a pdf file created by students about literature.	Italian school: workshop on line with two poetry writers (Vincenzo Diana and Roberto Lasco). Portuguese school: preparation for the activities for the students meeting ARTE COM PALAVRAS (literature activities). Spanish: workshop with a poetry writer (Susanna Sebastia) about literature and avant-garde. The students' meeting in Portugal was dedicated to this topic.	Photos of the workshops and attendance to the events were posted on Instagram and Facebook. Photos and videos of the final literature productions of students were also posted on social media. It has been complicated to manage the dissemination of the literature outcomes in social media because for its nature, literature is more difficult to convert into images and disseminate it in Instagram or Twitter. We used other media like YouTube to spread our outcomes.	Publication of the digital book with the international activities held during Portuguese meeting.	We produced a virtual book with the creations made by students in the international meeting in Portugal (collective poem, word art productions...) and a collective recital of the poem in three of the five languages of the project.	Italy: Vincenzo Diana (writer and poetry writer) and Roberto Lasco (poetry writer). Portugal: Beatriz Santos (young writer), Luis Esteves (drama teacher). Spain: Susanna Sebastia (poetry rhapsode and writer)	Italy: participation on the Aversa 2022 e la trilogia Normanna summit, a literature meeting. During this period it has been very difficult to assist to events due to Covid restrictions.	Evaluation done in February 2022
ITALY	HOPE - DANCE	4	4	3	4	4	2	4	4	3,625
	Observations	Researches were made by teachers of the Italian school.	A presentation created with SWAY was presented to all partner schools.	Italiana school participated in dancing festivals (local artists), the festival was Aversa Millenaria. Students from each partner school created videos about the topic: HOPE. The videos were disseminated via our YouTube channel.	The dissemination of the artistic practices were done via our YouTube channel.	The videos are published in our website.	A folder in our YouTube channel is created.	Portugal: workshop of Oriental dances. Italy: Yoga workshop. Spain: movement and dance workshop with Arsenic company.	Italy: participation with dancer in the Jommelli Cimarosa Festival. During Students' Spanish meeting we assisted to a dance show called "Mapa de ball".	Evaluation done in May 2022
SPAIN	CONFUSION - PERFORMING ARTS	4	4	4	4	4	4	4	3	3,875
	Observations	Researches were made by teachers of the Spanish school.	A pdf document and a blog has been created.	During the students' meeting in Granollers we ran all the artistic practices. We created a performance during the week and we perform it in the city center of Granollers.	The dissemination of the artistic practices were done via our social media.	All the materials of the period are at the project website.	International street performance in Granollers.	Portugal: workshop with Luis Esteves (actor) Sapin: workshops during the meeting with Marc Oliveras, Laura Lanelli, Marta Ros.	Assistance to 2 dance performances of Marc Oliveras.	Evaluation done in November 2022
ITALY	VULNERABILITY - FASHION	4	4	4	3	3	4	4	3	3,625
	Observations	Researches were made by teachers of the Italian school.	A presentation created with SWAY was presented to all partner schools.	During the students' meeting in Granollers we ran all the artistic practices. We created a some clothes with Covid material and we perform a catwalk in the city of Aversa.	The dissemination of the artistic practices were done via our social media.	All the materials of the period are at the project website.
